Piotr Trochim

Software Engineer
DeepMind

Simulation & Robotics

Buzzwords

Mujoco, Robot Perception, Touch,
Reinforcement Learning

Projects @ DeepMind

- [deepmind/dm_control: The DM Control Suite and Package is a tool for developing and testing reinforcement learning agents for the MuJoCo physics engine.](#)
- Applicability of PhysX 4.x and Unity to Robotics research

Projects from before

- *Havok* Animation & *Havok* Behavior

- Physical Character Controllers for games
  - Witcher 2: Assassins of Kings
    (by *CD Projekt RED*)
  - Robinson: The Journey
    (by *Crytek*)
